Biting cold day with a stinging breeze for the last run of 2023. Paul Angarone turned 70 and was feted with a birthday song as well as cookies, beer, coffee, and donuts from Dunkin and Allegretti's. Paul's family was on hand to join in the celebration. Later that evening it was done all over again with a raucous surprise birthday party for him at the Dunning Pour House. On a sad note, Bill Kearns, Riis Park Strider legend and foundation, suffered a massive heart attack and is rehabbing at the Citadel in Northbrook.
