#### 1.2 Mile Results

|                  |       |           |
|------------------|-------|-----------|
| 1. Felix Coleman | 26:00 | 1st 50-59 |
| Si Jayne         | 26:00 | 1st 60+   |

The clear but a bit sloppy in places course saw a record number of finishers in the 1 mile race. The Red Panda Raiders again came out en masse and won a lot of ribbons. Thanks once again to Judith Ragusca, mother of Joe Mittel, for donating prizes for the winners. This is the 22nd year she has done so in memory of her son and Riis Park Strider legend.

The Shamrock TC posted an easy victory this year to avenge their close loss last year. Two new teams--Warsaw TC and Red Panda TC joined in on the team scoring. Both the Shamrock TC B and the Riis Park B fell short of 1 runner each for team scoring.

Much thanks to all who made this happen---Peter Block (finish chute), Mike Vlasak (course marking and registration), Ken Dietz (finish chute and results), Bill Kearns (finish chute), Renee Phillips (registration and awards presentation), Paul Hendrickson (registration, finish chute and results), Pat Savage (mile splits), Karen Davis (photos), Bill Thom (finish chute, results, course marking and for supplying the finish clock), Sylvia Angarone (photography) Karen Davis (publicity and photography) and of course to Chris Precht for keeping the tradition alive for yet another year.

Thanks to all who donated food for the hungry and to the staff at Riis Park for opening the field house for us.

The Riis Park Striders will be holding the 2nd Annual Mike Bastian 6 Mile Memorial Run on Dec 23rd. Mike is a long time Strider and area running legend who recently pass away. T-shirts will be awarded to all 6 mile finishers as well as medals. Other distances will be 1.2 and 3.6 miles around the park.

Joined the Striders this year: Bob Gagne, Hank Caldwell, Ken Schuch and the Hendrickson family. Dues is \$20 a year for a t-shirt and free registration to all Riis Park Strider races.

The Riis Park Striders hope to see everyone again next year (as well as at our weekly Saturday runs at the park) and hoping for better times and weather in 2018.
